Hatemongering And Defamation

By Marilyn R. Allen

P.O. Box 2243 — Salt Lake City, Utah

In the virulently anti-White-Christian-American Jewish newspaper, **Heritage**, (Los Angeles) for Nov. 6, 1958, which carries the usual Jewish venom against name-called "hate groups" or individuals, there is this quote:

"In his letter to the Congressman (Francis E. Walter) asking for a House investigation on 'hate groups' (meaning Christian Constitutional Americans) Commander of Jewish War Veterans, Shaike-witz, pointed out that hate sheets have increased 'fantastically' during the past 6 months (there must be a reason), indicating that financial backers of such publications have thrown great sums of money into their operation."

IF this were actually true, what of it? In view of the **fantastically** huge collections and fund drives on the part of Jews themselves? But this is customary distorted Jewish propaganda, since I happen to know that most Christian Constitutional Americans, such as myself, operate as **individuals** not as organized groups like the **ADL** and **NAACP**—and have to spend their own sacrificial pennies in defense of **OUR** country, our race and our religion. Every **true** patriot that I know of, is having a terrific struggle financially, what with inflation, increased postage, as well as high living costs. Most of them are **not** organized and do **not** enjoy any backing, moral, legal, financial or organizational—, such as do the well-heeled **ADL** and **NAACP**. Nor do they regularly conduct, all over America,

There is no Time quite like Christmas for remembering the Friendships we Cherish
and there are no Wishes like the Old tried and true ones - a Merry Christmas and a Happy New Year

well-organized tax-free fund drives (backed and promoted by our highest officials, and agitators such as **Eleanor Roosevelt**, who act as toadies for these minority interests: the Jewish papers are full of their names and faces, for advertising purposes). Humorously enough, in this same **Heritage** issue for Nov. 6, 1958, is this squib:

"Sen. Jacob K. Javits, of N.Y. State, will be the principal speaker at Joint Defense Appeal's Third Annual Human Relations Award Dinner on Nov. 15... Mendel

B. Silberberg, well-known Los Angeles attorney and civic leader, will be recipient of the Award in recognition of his 'contribution to the advancement of human rights.' (This language always means extra-territorial Jewish rights, not human rights for Christian patriots: they do not have any).

"Joint Defense Appeal is the fund-raising arm of the American Jewish Committee and Anti-Defamation League of B'nai B'rith, the nation's oldest and largest

"Thy Brother's Keeper"

By Martha O. Andrews

Far more could be accomplished toward the advancement of the Negro through intersectional understanding and cooperation than through conflict and condemnation. For a better perspective, please study the following explanation of the South's position:

One-tenth of the nation's population is Colored, of which two-thirds live in 10 southeastern states. One-third of the South's population is Negro; in the "black belt" they outnumber Whites as much as 9 to 1.

The Negro was introduced to civilized society through slavery. With emancipation he was turned loose penniless, homeless, jobless, and ignorant to be absorbed by a war-ravished South. Since Reconstruction days he has been nurtured by Southern White taxpayers. Today there are more Negro-owned-and-operated businesses in the South than in all other sections combined. Out of 14 colleges in metropolitan Atlanta, 7 are for Negroes; similar institutions are throughout the South. A Negro was elected to serve on the Atlanta Board of Education; 36 Negroes are on the Atlanta police force. Atlanta leads the nation in low-rent public housing, and is about to launch a

multi-million dollar urban improvement program, building new homes for thousands of Colored families. Recreational facilities, and almost all other tax-supported projects are provided both races. The Negro pays only a minute portion of tax monies spent on him; he could not be educated for years to come nor have any other public services or protections if left to his own tax resources.

Nowhere else in the world at any time in history has a people been so swiftly uplifted as the Negro in America. The South does not mistreat the Negro, but has done more for him than all other sections

50 Groups Plan Capitol Lobby On Filibuster

By WILLIAM ALLAN

DETROIT — Foes here of the U. S. Senate filibuster that has blocked civil rights legislation prepared to go with leaders of 50 national organizations to Washington Jan. 5 to lobby for banning such filibusters. Walter Reuther, UAW president, and William

Reproduced here is the COMMUNIST WORKER'S call for a POLICE STATE

Friends of the Communist's WORKER campaign—50 organizations are descending on Congress to pressure Congressmen:

1.- To end their own right to unlimited debate (filibuster), then quickly:

2.- To enact Part III of the Civil Rights Act, which was deleted when Congress passed the Act, Sept. 7, 1957.

What is behind this? WHY has the Communist WORKER, the voice of Moscow, so rabidly pushed the so-called "Civil Rights Act" ever since Red-loving Cong. Emanuel Celler introduced it? Why is the Communist WORKER now clamoring for its completion—Part III?

Victorious COMMUNISM gives its vassals no "Right" except the "Right" to kneel to the dictator and his policies. The alternative is the firing squad, slave labor, torture, death in that ever-moving stream of countless millions of dupes, who, too late, discover that "Civil Rights" is bait which has now entrapped nearly half the world. The Civil Rights Act has been promoted and so heavily plastered with the "chocolate frosting" of Negro, social and voting rights, that it appears to be merely a "goodie" calculated to draw sympathetic aid, to enact a "bomb" to end civil rights for ALL!

It is true that Soviet citizens all vote. They have to—but for just one party.

Already

The 1957 Act has already set up a special court system and special laws, as demanded by the United Nations, under an appointed "Commissariat" of commissioners and special Attorney General. Already, you may be arrested solely on the charge of the "Commissariat" that you have some "intent" to interfere with civil rights—now largely restricted to voting. The Act provides for secret hearings, from which your witnesses and attorneys may be barred; with imprisonment for anyone who tells anything said or done to you in these "Star Chamber" secret hearings. Without any jury trial you may be fined and, without appeal, imprisoned.

But Nero had it better, inspired by his Pharissee wife, Poppaea.

Part III is needed to extend this power to all social relations.

Part III was deleted only through the heroic efforts of Congressmen whose speeches against the Act, and its death-knell of liberty, rival the top utterances of patriotic American History.

Cong. Dowdy Said Of The Act

"When the Attorney General can haul a citizen into court, enjoin him because of what somebody THINKS he is THINKING, deprive him of his legal rights, convict him without due process, and subject him to criminal punishment for an alleged civil

offense, we will have achieved the height of absurdity, and the height of tragedy." In connection with this Act, he quoted this definition:

"Communism is not an economic system. It is a conspiratorial drive for tightly centralized government in the hands of godless gangsters. Communism must, as a prerequisite for success and its conquest, pull all powers of the government into one place—Washington, D.C." The proposed Federal Bombing Bill (communist backed) is a ruse to remove local police power to Washington. He pointed out the Civil Rights Bill "provisions to bypass State Courts." (Cong. Record, 6/17/57, p. 8405, and 6/14/57, p. 8139).

Under Genocide Law

If you are familiar with official United Nations publications and its Genocide Convention, you will see in the CIVIL RIGHTS ACT fulfillment of its aims. The Genocide Convention never needed U.S. ratification to make it our law, which it became 1/12/51.

The UN has demanded that until local UN Criminal Courts are set up to enforce ALL law, that such UN laws as the Genocide Convention be enforced and individuals punished under "National Law." This the Civil Rights Act is set up to do—only lacking Part III. Reread that. Then check it with such UN publications as Everyman's United Nations" (pp. 222, 316, etc.) and "The Crime of Genocide" (UN pamphlet 1-9, pp. 6, 11-15).

And what is "Genocide"? It ranks causing "Mental Harm" (to our Commissars?) with murder, with punishment accordingly. To quote its text:

"GENOCIDE" means any of the following acts, committed with INTENT to destroy, in whole or in part, a national, ethnic, racial, or religious group as such: (a) KILLING members of the group; (b) Causing... MENTAL HARM to members of the group... The following acts shall be punishable: Genocide... Conspiracy... Public incitement... Complicity... Attempt to commit Genocide.

Enforcement of this law means the end of all American free speech, press, assembly, ALL LIBERTY!

The actual rulers of the UNITED NATIONS, as may be proven are the bloody USSR and the USA ruling clique of conspirators setting up World Government on U.S. MONEY, ARMS & MEN!

Read how zealously the bloody Soviets pushed the Genocide Convention. They fought only for bigger teeth for it (see p. 6 "The Crime of Genocide").

"U.S. Crackdown on Hate Planned" headed the 11/13/58 Drew Pearson Column. Emboldened, perhaps, by the near completion of the Civil Rights Act by Part III, we read that: "Atty. General William

Oliver, director of the UAW's FEPC department, are part of a Leadership Conference on Civil Rights, whose secretary is Roy Wilkins, NAACP leader.

"We will not surrender," said William Oliver, UAW Negro leader and veteran of the battle on Capitol Hill against filibusters. Oliver pointed out that the elections have given the foes of filibusters a majority in the Senate. The fight, he said, will be led by a bi-partisan coalition of Senators Douglas, Humphrey, Case and Javits. The latter two are Republicans.

The motion to change the rules of the Senate, he declared, will be made at the Senate's opening Jan. 7, to provide that a simple majority can break the filibuster and force a vote after extensive debate.

Oliver said further that to stall as Johnson proposes until the federal commission on civil rights, headed by John Hannah, Michigan State University president, makes its first report is not in keeping with the commitments made by candidates to further civil rights.

Civil rights forces are calling for an anti-filibuster rule on the opening day of Congress which will permit the break-up of a filibuster by a simple majority of the entire Senate. Johnson proposes that a two-third vote of all Senators present be required to close debate.

Other civil rights issues shaping up for the 86th Congress are the restoration of section III in the Civil Rights law of 1957; the Keating-Javits anti-bombing bill, and the Douglas Omnibus Civil Rights bill.

In an article "Ending the Filibuster" in the Fall issue of the AFL-CIO Industrial Union Department's 'Digest' Sen. Humphrey said:

"We who support the motion to consider the Senate's rules will once again be fighting to curb that undemocratic road block to democratic legislation — the filibuster."

Senators Jacob Javits of N. Y. and Clifford Case of New Jersey declared that the "compromise" proposal being circulated privately by Johnson "would practically speaking, leave the situation unchanged."

Rep. Emanuel Celler, Brooklyn Democrat, in an interview charged that the Civil Rights Commission is ineffective. "I have no faith in that commission whatsoever," he declared. "Little or nothing can be expected from it." Celler noted that the Civil Rights Act of 1957 deals largely with enforcement of voting rights. He said Congress must take up a broad civil rights bill.

—o— (Continued on Page 3) —o—

Rogers is working on a plan to crack down on (so-called) HATE groups...Rogers believes he can bring action against them for sending HATE material through the mails... Rogers may use the CIVIL RIGHTS statutes to prosecute the HATE groups." These people continually use the word "HATE" to smear patriots.

As in the Soviet Union, then, the Bible may be barred, since it is based on the teaching: "Hate the Evil and love its good." (Amos 5:15).

When B'nai B'rith banqueted and awarded the whole Congress (many refused to attend) for passing the Civil Rights Act of 1957, at the Mayflower, Hotel, Washington, D.C., 3/3/58, triumph was mingled with insistence, and assurances from their friends in Congress, that the Act must, and would be, completed with Part III!

Now!

As communists, Zionists and leftist delegations swarm to Congress, PETITION, BEG, CONGRESSMEN NOW! NOT to sell us and themselves out! NOT to put us under Red slavery! NOT to end their own debating or "filibustering" rights! NOT to enact COMMUNIST-backed Part III of the Civil Rights Act! WRITE THEM NOW—or you may hear echoed about your own lost freedom those words of Christ after He had asked His disciples to watch and pray, only to find them for the 3rd time ASLEEP. He said: "Sleep on now, and take your rest; it is enough, the hour is come; behold, the Son of man is betrayed into the hands of sinners" (Mark 14:41).

Have the courage and determination to oppose this Marxist move to enslave our wonderful country, or your children, and your children's children, will never forgive you. These Marxists are destroying our Constitution and want to destroy Freedom of the Press as well.

DEFAMATION

—o— (Continued from Page 1) —o—

organizations fighting bigotry and intolerance and strengthening intergroup relations. (Which, being interpreted, means fighting for the destruction of the White Christian race through integration and race-mixing!) JDA is currently seeking \$5,600,000 nationally to meet the minimal budgetary requirements of AJC and ADL..

ADL is the Jewish Anti-Defamation League (secret police) that maintains Soviet-like dossiers on all name-called "anti-Semites" and practices bigotry, persecution and defamation against them, while it spouts 'brotherhood' in order to keep itself off the hot griddle. This same issue of Heritage has an editorial titled, "Depraved Nightmare-Disjointed Soul," which ridicules and defames White Christian patriots in the accepted Jewish manner.

Think what indigent little Christian American patriots could do with these millions of dollars handed to them by the public, on a golden platter, such as the Jews regularly collect! And the above is only one of the many such continuous national drives for funds. This effectively explodes the lies first above quoted, and puts the shoe on the other foot—where it belongs. Their own literature amply proves this contention. These huge funds are used for their own selfish racial, religious and national (Israeli) purposes. My mail, these days, consists largely of appeals from indignant, indigent Christians, of which I am one. Who has all the money and why?

This same Javits is sponsoring a bill in Congress, together with his cohort, Emanuel Celler, also of N.Y., chairman of the House Judiciary Committee, to deprive Christian Constitutional patriots (called 'hatemongers' by the Jewish press) of their pre-eminent Constitutional right to use the mails, to present their side of matters vitally affecting our country. But of course there is not intended to be any investigation or hamstringing of the virulent anti-Christian Jewish publications! ---

In defiance of all established law, justice, and court rulings on the subject, organized Jewry's very voluminous, lush, uninhibited press, which blankets this once-Christian land as a plague of locusts, smears and vilifies and name-calls and destroys the reputations (and jobs) of up-standing Christian Constitutional Americans with impunity, just as does this same issue of Heritage. They work arduously to establish it as a crime here (as in USSR and other Iron Curtain countries) to justifiably criticize the activities of organized Jewry, especially the ADL. Judge Peter M. Horn of N.Y., once ruled as against using the smear-word 'anti-Semitic' to destroy innocent Americans, as follows:

"It is a principle essential to the very existence of a government of laws and of civil liberty, that no man can be punished except by the cooperation of law and after a trial according to the forms of law, with such aids and shields as the rules of law afford him: that individuals cannot take the execution of the laws into their own hands as to these Jewish editors, the ADL et al... I believe it most dangerous for our society to think that any group of men might set themselves up as a super-tribunal... then pronounce him by terms of a label which, as in this case, is admitted by the defendant (Birkhead) was circulated throughout the country to 10,000 people. I think that is a dangerous practice."

If Jewish and other communists are privileged (and protected) by the Fifth Amendment not to testify against themselves because it would tend to incriminate them, then what about this unconstitutional and unlawful incrimination and defamation of innocent citizens, when nothing unlawful has been proven against them? Aren't their rights as good as those of communist traitors to America?

Jewry's great wealth enables their numerous lush publications to reach millions, especially since, for some years past, they admittedly have been writing much literature (propaganda) now used by both Protestant and Catholic churches, who are thereby being skillfully inoculated with Judaism rather than Christianity. These activities are documented in the American Jewish Committee budgets for 1953 and 1954. Their Interreligious Activities Div. "seeks to encourage and assist Protestant and Catholic churches and church groups to develop education and social action programs that will create favorable attitudes towards Jews and Judaism." (from p. 55, 1954 Budget). "We plan to continue our close contacts with both the Protestant and Catholic press, not only to provide factual information in areas of mutual concern..." (p. 56). And from their 1953 Budget: "...our Christian educators have come to regard our agency as having special competence in intergroup education and have no hesitation in calling upon us for counsel." (page 96). These so-called 'Christian' churches and ministers must be totally bereft of brains, dedication, and inspiration from their true leader, the Christian Christ! These proselyters, as well as their victims, should well remember St. Matthew 18:6 as well as Matthew 23:15.

Yet despite this propagandizing of their victims in an effort to make the Christian love the Jew, Zionist Jewry's organizations and publications (as well as their cats paws such as Drew Pearson) play continually upon the word "HATE" and "hatemongering" which they apply indiscriminately to anyone and everyone who does truly attempt to follow in the footsteps of the Christ, and who dares to expose or criticize THEM in any way, no matter how truthfully. They use these words "hate" and "anti-Semitic" in an effort to defame their victims and make them persona non grata with the public, all of which is, or should be, lawfully libelous. They give us no benefit of the doubt as to our high motives and principles in trying to "preserve, protect and defend" our country, our race, our Christian religion, just as they labor militantly to do the same for theirs. According to them, we have no Constitutional right to do this in and for

our OWN country, while they work arduously and collect huge funds for Talmudic Judaism (which is anti-Christian) and for their foreign State of Israel.

In short, organized Zionist Jewry, as the ruling, reigning, organized clique in America, sets itself up as a "super-tribunal" which is above everyone else (as a 'hidden power' even above our Constitution, as Sen. Jenner has intimated): in fact so high above that nobody may dare to mention it openly in any but the most favorable terms, nor even to quote from its incriminating literature. And our press has been so cowed and intimidated that it never dares to come out boldly and truthfully for strictly Christian Constitutional American objectives and principles "for fear of the Jews" and their recriminations and reprisals. Yet we must be happy to tamely swallow all this prejudice and discrimination against us? This is precisely the same situation as obtains in Iron Curtain oppressed countries, for which we profess to feel so sorry: when we are in exactly the same situation. Coming from a long line of native-born Americans of 1776 vintage, this writer does not recognize the right of any alien racial or religious cult to push me around in my own country, or to deprive me of my God-given Constitutional rights and freedom.

But, according to THEM, you are either FOR this alien cult and clique and their anti-Christian-American activities, or else! Some of us take our stand with the Christian Christ, and choose the 'or else,' preferring any odds rather than enslavement of the body, mind and soul. We stand for the freedom, truth, and the peace in our hearts that HE came to bring us, and for which HE gave His life. "Fear not them, which kill the body, but are not able to kill the soul; but rather fear Him which is able to destroy both soul and body in Hell." "Why are ye fearful, O ye of little faith?" As Christ said of a certain betrayer, "It were better for him that he had never been born." Such are the "traitors, heady, high-minded, lovers of pleasures more than lovers of God," spoken of in II Timothy 3:4. Christ foresaw these very days when He said, "And ye shall be hated of all men for my Name's sake: but he that endureth to the end shall be saved." It is now going to cost something to proudly carry that Name above ALL Names: one cannot be a do-less 'Christian:' especially since He said, "Think not that I am come to send peace on earth: I came not to send peace, but a sword." Better buckle on your sword, brother, and put on the whole armor of Christ, else you shall not be able to stand in the soon-coming days. "And he that taketh not his cross and followeth (not) after me, is not worthy of me."

If you do not stand and fight with and for Him, you certainly will not reign with Him, nor will you enter into His Kingdom. No longer may you straddle the fence. HE made the supreme sacrifice, and so shall you have to sacrifice to regain and save your freedom. Freedom is only for those who dare. This is a spiritual battle, not a political one, that is looming over the earth, in which the forces of darkness must, and shall be, defeated. This time Christ and His Hosts are coming in Power and Glory to fight for His people. There will be no other help except His. When the people call upon Him, He will respond.

"THY BROTHER'S KEEPER"

—o— (Continued from Page 1) —o—
combined.

Many Negroes have advanced far since their arrival in America; others still live in undesirable circumstances and compose about 90% of the South's jail, welfare, and public health cases. No one could want any more than the Southerner himself to eradicate these conditions which are due not to "oppression," but to their having had far to go. The Negro cannot be swept to success on a legal escalator—he can be elevated only through growth. Both heredity and environment determine one's personality. Millions of Negroes have had first-hand experience in the environment of the "other half" by having worked in Southern homes and businesses for generations. Yet the living conditions and habits of some are akin to those of the "country out of which the man was taken."

Colored teachers are employed in the South in proportion to their population; integration would cause thousands to lose jobs. The South is making honest effort toward equal opportunities for all; some of the section's most modern schools are for Negroes.

The Pledge of Allegiance says "justice for all." To the Southerner this means justice for White and Colored! Segregation meets Negroes on their own ground, lifts them within homogeneous groups according to their particular needs. Segregation is based upon sound educational principles serving the interests of both races. Mass integration would seek a level—it would lower one group while elevating the other, and would not be "justice for all." With the exception of a few extremists, most Southerners are NOT "haters," but want to help the Negro insofar as possible while serving the good of the whole.

The Bible teaches "Thou art thy brother's keeper." The South has been its "brother's keeper" in the most literal sense. The Golden Rule means "Do unto ALL others (White as well as Black) as you would have them do unto you." NOWHERE DOES THE BIBLE SAY THAT RACES SHOULD MIX. The Bible does say in Acts 17:24-26 "God...hath made of one blood all nations of men...and hath determined...the bounds of their habitations." God created different races and placed the White man in Europe, Yellow in Asia, Red in America, and Black in Africa—God separated the races; man mixed them!

Southerners are as law-abiding as any other citizens. Anti-integration measures have been taken not to defy the federal government, but to prevent disastrous consequences to both races of unmet measures. The 14th (equal protection) Amendment was "ratified" by Southern States at bayonet point. The Congress which proposed it set up separate schools in Washington, as did States which "ratified" it. At least 35 times the Supreme Court has ruled that the law permits "separate but equal" facilities. The Supreme Court decision of May 17, 1954, is a decree handed down by 9 appointed men. No de-segregation law has been passed by Congress, the only body empowered by the Constitution to make laws. The only Civil Rights law passed gives the federal government the right to intervene in voting cases only.

The race problem has been found to be definitely and unquestionably linked with un-American activities. The operation of the communists is very subversive—they work through "fronts," organizations and individuals without membership cards who perpetrate their ideas, some knowingly, some completely unsuspecting of the relationship. Communists express as their intentions the violent overthrowing of the government and Constitution, and mongrelization of races. History shows that all nations which have had an amalgamation of races have declined as world powers.

The Georgia Commission on Education has revealed that leaders of all racial uprisings in the South since the Supreme Court handed down its decision met at a communist training school in Monteagle,

Tennessee, over the 1957 Labor Day weekend. All had been cited for un-American activities. "Frontists" have infiltrated the press to such an extent that the public is not permitted to know the truths about the South's position. Instead, subversives endeavor to break down nature's law of preference of species by indoctrinating the public with false "evils" of the South's separation of races.

Investigations have found "frontists" in pulpits and publishing houses of many leading churches. Their efforts are aimed at implanting in children and young people the philosophy of race mixing. Subversives have utilized college campuses, youth groups, charitable institutions and labor unions to further their doctrine of "racial nationalism." Subversive-dominated pressure groups work through government sources, utilizing the compelling force of political expediency to force an end to racial barriers in the South. The tactics employed has resulted in a virtual overthrowing of Constitutional government.

School integration is part of the mongrelization scheme. The throwing together of small children of the two races in large proportions with no social barriers would ultimately result in inter-marriage.

Every true-blooded American, regardless of views on segregation, should become aware of what is happening and alert others. Anyone who knows this information and does nothing is in effect helping communism.

Plain Talk

Our friends over the country realize almost unbelievable results have been accomplished by COMMON SENSE. Thousands have been awakened to the real cause of the crisis we face.

We have for 12 years been badly handicapped for finance and a number of us who have a background of years of business experience have made extreme sacrifices.

This patriotic paper, easily read, packed with facts, is the practical, hard-hitting weapon which has enraged the Marxist forces to attack us from all sides attempting to smear and misrepresent this paper which they cannot answer. Our subscription list is growing fast—the paper has proven itself.

Now is the time for patriots to make special efforts to double our readers and help strengthen us financially so we can equip ourselves and publish weekly.

Twice a month does not permit us to expose the many phases of subversion and brainwashing which many people are anxious to know about.

Our greatest weakness is not asking for money. We do not send you a begging letter each week saying we are going to close down unless you help us but that does not mean we don't need your financial assistance.

Important projects are continually waiting here in our headquarters for funds to carry them out. We have quit our occupations where we could make money; this work depends on you patriots to back us up according to your ability.

Please help us turn the trend.

KEEP CHRIST IN CHRISTMAS

Pharisaic Quotes

Twin goals of \$100 million for the regular and \$100 million for the special United Jewish Appeal funds were set for 1958. (National Jewish Post and Opinion, Dec. 20, 1957, p. 1).

American Judaism is today a religion of the wealthy. We'd like to see the average income of the congregation board member, or for that matter, of the board member of our federations and welfare funds. It certainly could be more than \$25,000 and probably much more. (Editor Gabriel Cohen, in NJPO, Feb. 14, 1958, p. 14).

The ruling clique in American Judaism, as in the American Jewish community, are chosen not because of their scholarship, not because of their piety, but almost solely because of their ability to amass wealth. (Editor Cohen, in NJPO, 3/14/58, p. 14).

Pastor Reinhold Niebuhr believes the ethic of Judaism to be superior as an aid to the development of the social conscience. You definitely get the feeling that Niebuhr could wish that it (the Christian ethic) were a bit more effectively socially conditioned. He asks his Christian colleagues not to waste their efforts in converting Jews. The world needs the humanistic social power of the Jewish way of life. (Rabbi Jacob J. Weinstein in NJPO, 6/13/58, page 14).

No people on earth except the Jews have made of humanism a religion. This is the meaning of Passover (celebrating the slaughter of the Egyptian first-born). This is one of the reasons why through the ages barbarism, in old or modern garb, has seen fit to try to extinguish the Jewish flame. (Samuel B. Gach, Editor, California Jewish Voice, April 4, 1958, p. 1). This quote, in their own words, is an excellent example of Pharisaic double-talk. Humanism means human nature—definition, Webster's Collegiate Dictionary. The basic meaning of barbarism is foreignism. The basic meaning of goyim is foreigners. Secretly this seemingly sanctimonious talk means: "The Gentiles" (goyim) have always sought to exterminate the Jews because they have been herdsmen of human cattle (goy cattle!), who have made a religion of psychology (the study of human nature). One must actually use the figurative meanings of these key words in order to draw the ostensible inference of this statement. The first definition of humanitarianism given in the Merriam Webster's is: "The tenet denying the divinity of Christ!" Can you see now why the Pharisees are such "great humanitarians?" In case the innocent believe the real interpretation of editor Gach's words are far-fetched, he continues, dropping somewhat his veil of hypocrisy. It is not surprising that this old hatred of our humanism is as prevalent today as it has been since Pharaoh. It is understandable that the feudal Arab King of Saudi Arabia hates the sight of a Jew. They remind him too vividly of what happened to Pharaoh. (And of the Jewess who poisoned Mohammed?)

In many schools in Germany "The Diary of Anne Frank" is required reading. (NJPO Feb. 14, 1958, p. 11).
